ORGANISING ENTITIES

The Arabic baths HAMMAM AL ANDALUS and IV CINEMISTICA FESTIVAL, in collaboration with *La Corrala de Santiago UGR* and *Junta de Andalucía*, in order to promote and spread literary creation of short screenplays in the Art & Avant-Garde film genre, announce the I Short Screenplay Contest “WRITTEN IN WATER”, in accordance with the following

RULES AND THEME

1.- OBJECTIVE AND THEME OF THIS CONTEST

The objective is to award 1 best short screenplay and 5 second prizes among the participants. The theme is “WRITTEN IN WATER” (screenplays related to water).

2.- PROCEDURE

The procedure will be comprised of the following steps: notification for entry, receiving of work, jury assessment and decision.

3.- CONTESTANTS

Only those contestants who enter a maximum of 2 short screenplays, regardless of their nationality or residence can compete for the awards.

4.- SCREENPLAY REQUIREMENTS

The screenplays must be written in Spanish, French or English.

They must be original and unpublished, and their length should not exceed 12 pages.

They can be scripts for fictional, documentary or experimental films, and should not contain technical notations. The theme must be freely related to water.

4.1. Synopsis: A plot summary with a maximum length of half a page must be included.

4.2. Font: We recommend using "Calibri" (11) font.

4.3. Scenes: At the beginning of each scene must appear: a scene number, outside or inside, night or day, and the name of where it takes place.

Keep in mind that each scene has a unity in time and space, therefore each change of location or moment in time must be labelled as a different scene.

4.4. Descriptions/actions: In the descriptions and the actions of the scenes, the author must include every element that can help the reader to visualize better what is occurring in the film. The author must omit subjective considerations that do not facilitate the visualization of the scene. The details of the production and the camera movements must not be explained.

We recommend leaving a margin of aprox 4.3 cm. on the left side of the sheet.

4.5. Dialogues: Before any Dialogue, the author must specify which Character speaks. The name of the Character must be

written in uppercase letters. The spoken words must be written in lowercase letters (without bold or italic typeface or underlining).

4.6. Comments on the Dialogues

(Additional information about the dialogue) These comments must be included in parentheses, completely in lowercase letters. They must appear between the Character and the Dialogue, or between the groups of Dialogue. The comments must be used sparingly, only when necessary.

4.7. Recommended margins in the Dialogues:

- Name of the Character: align (not in the center) in 10.4 cm from the edge of the sheet.

- Group of Dialogue: align (not in the center), with a left margin of 6.8 cm from the left edge of the sheet, and a right margin of 6.1 cm from the right edge of the sheet.

- Annotations: align in 8.6 cm from the edge of the sheet.

We recommend writing a maximum of 45 lines per sheet.

4.8. Expected duration of the short film:

The entered screenplays should be conceived for a film duration between 5 and 12 minutes.

Screenplays presented simultaneously to other contests will not be accepted, nor previously awarded screenplays or screenplays with shared property rights.

In order to make an objective assessment of the works, the jury will consider, among other relevant things, the following criteria:

- Literary quality of the screenplay, in accordance with the film language, either for fiction or documentary or experimental purposes.
- Humanistic value of the work in relation to the poetic, anthropological, symbolic and spiritual dimensions of water.
- Ecologist and scientist sense related to water for the humankind and biosphere, with artistic possibilities of making science-fiction works.
- Feasibility of subsequent filming.
- Creativity and originality.

8.- DECISION

The decision of the jury will be taken by simple majority and will be announced during the closing ceremony of the IV Cinemistica Festival, which will take place in Granada on 2 December 2017.

This decision will be communicated to the winners within a maximum period of 5 calendar days from the date of making the decision.

The organizing entity have the right to declare the prize void in the case the screenplays presented don't reach the required artistic-technical level.

9.- AWARDS

A main prize of € 900 will be given, with an official trophy and a festival diploma.

Five second prizes are also established: a diploma and a gift certificate for the Arabic baths Hammam Al Andalus amounting to € 250.

The organization reserves the right to publish online or editorially on paper the winning and selected works, and distribute them through whatever means it deems appropriate. It is assumed that the winner and the finalists will agree that the organization publicly discloses their screenplays.

In subsequent edited versions of the screenplays or in the credits of the short films that could be filmed with them, the following must be mentioned: Winner screenplay (or finalist screenplay, in this case) in the I SHORT SCREENPLAY CONTEST "WRITTEN IN WATER" ORGANIZED BY HAMMAM AL ANDALUS - IV CINEMISTICA FESTIVAL.

In the case that the winner resides outside Spain, any expense generated by the payment of the prize, whether banking, fiscal or other kind, will be deducted from the prize or will be the responsibility of the beneficiary.

The prize will be subject to the applicable tax withholdings and legal provisions.

For the payment of the prize, the winner must provide in good time and in an appropriate manner all the necessary documentation for the processing that is required by the administration of the organization, otherwise it will be assumed that the winner gives up his right to receive the payment of that amount.

10.- FILMING OF THE SHORT FILM AND AUTHOR RIGHTS

The winning scriptwriter will have the right to work on the rewriting of his or her work with the eventual hired director, if the organization HAMAMM AL ANDALUS - IV CINEMISTICA FESTIVAL decides to realize

the filming of his or her script. In that case, the organization reserves the right to seek the required funding through agreements with other public entities or with private companies.

The rights of the short film will belong to the organization HAMMAM AL ANDALUS - IV CINEMISTICA FESTIVAL.

Regarding the hypothetical benefits that this short film would produce, the scriptwriter would receive the percentage established by the General Society of Authors and Publishers (S.G.A.E.).

11.- WITHDRAWAL OF ORIGINALS

The non-awarded works may be withdrawn, with a previously written request, or by providing the receipt of presentation.

Thirty days after the announcement of the decision, the organization will no longer be responsible for their conservation, and after 31 December 2017 they may be destroyed.

Any expense related to the submission or withdrawal of the presented works, as well as to any necessary transaction for this, will be the responsibility of the contestant.
